

## The 2nd KAKENHI Quantum cybernetics General Meeting

Date: 11th March, 2010  
 Place: New Miyako Hotel (Kyoto, Japan)  
 Participants: 8 p.

### Program:

time	content	speaker
10:30 – 10:45	Opening remarks	J.S. Tsai
10:45 – 11:30	①Study of superconducting quantum cybernetics	J.S. Tsai
11:30 – 12:15	②Quantum control using cold atoms	Y. Takahashi
12:15 – 13:15	Luncheon Meeting	
13:15 – 14:00	③Quantum information processing using an ion trap system	S. Urabe
14:00 – 14:45	④Realization of quantum cybernetics using photonic quantum circuits	S. Takeuchi
14:45 – 15:00	Break	
15:00 – 15:45	⑤Molecular spin quantum control	M. Kitagawa
15:45 – 17:30	Report for Sokatsuhan activity	J.S. Tsai
	Soukatsuhan Meeting, Research planning meeting	All
	Closing remarks	J.S. Tsai

### Participants List:

	name	affiliation	position
1	Jaw-Shen Tsai	RIKEN / NEC Green Innovation Laboratory	Team Leader / Senior Researcher
2	Masahiro Kitagawa	Osaka University	Professor
3	Yoshiro Takahashi	Kyoto University	Professor
4	Shinji Urabe	Osaka University	Professor
5	Shigeki Takeuchi	Hokkaido University	Professor
6	Takeji Takui	Osaka City University	Professor
7	Tetsuya Mukai	NTT Basic Research Laboratories	Researcher
8	Akinori Kagawa	Osaka University	Assistant Professor
