

Best-Paper Award for Analytical Sciences-2022

March 27, 2023

Presented to

Jun Akimoto, Hiroharu Kashiwagi, Nobuhiro
Morishima, Sei Obuse, Takashi Isoshima, Takahiro
Kageyama, Hiroshi Nakajima & Yoshihiro Ito

Rapid and quantitative detection of
multiple antibodies against SARS-CoV-2
mutant proteins by photo-immobilized
microarray

Analytical Sciences, 2022, 38, 1313-1321

The Editorial Board is delighted to announce the
“Best-Paper Award for Analytical Sciences-2022”.
The paper for this distinction was selected from
“Hot Articles” appearing in 2022, and was
determined by the editorial board members.
